

Child level

What should I do for the date of acquisition if it was not clarified in the paper (for example if it was given as between the years of 1991-1995, or summers of the 2010-2011-2012.

The first mentioned date should be taken. E.g., 1991-01 and 2010-01 for the above examples.
